To: Members of the Jax Woodworkers Club

You are such a special group of individuals to put the countless hours and love that were evident in the wooden cars, trucks and doll beds that you donated to our agency for Christmas gifts. The children who benefited from your generosity were boys and girls who have experienced abuse or neglect and are either in the foster care system or are with other caregivers. You helped brighten their Christmas morning with these wonderful handcrafted toys that will last them for a long time.

Thank you so much for thinking of the Kids First of Florida agency and our children.

Sincerely,

A handwritten signature in cursive script that reads "Nora Milne".
