Dear Ms. Miller:

Thank you and the Jacksonville Wood Workers Association for your donation of wooden toys for the children at the Sulzbacher Center.

With your help, our team works hard every day to turn the overwhelming uncertainty of homelessness into hope. Today because of the Sulzbacher Center, a young man will get a job, a mother will find day care for her children so she can look for work, and a family will move into a home of their own. But today there will also be forty new men, women and children from right here in our community who arrive at the Sulzbacher Center looking for help.

Thank you for caring so much about our community.

Warm regards,

Audrey McKibbin Moran
President and CEO
